

Curriculum Vitae

Dr. Maren Schubert (formerly Bleckmann)

TU Braunschweig
Institut für Biochemie, Biotechnologie und Bioinformatik
Abteilung Biotechnologie
Spielmannstraße 7
38106 Braunschweig
Phone: +49.531.391.5760
Email: maren.schubert@tu-bs.de

Research Topics

- Recombinant protein expression
- Antibodies and antigens
- Baculovirus- free expression of Virus Like Particles

Scientific Career and Academic Education

2018 – present	Habilitation at the Department of Biotechnology, Technische Universität Braunschweig
2020 –2021	Maternal leave (~7 month)
2016 – 2018	Head of the Recombinant Protein Expression Platform, Rudolf Virchow Centre, Würzburg
2012 – 2016	PhD thesis, Helmholtz Centre for Infection Research, Recombinant Protein Expression, Braunschweig <i>Dr. rer. nat</i>
2010 – 2012	Master of Science, Biotechnology, Technische Universität Braunschweig
2007 – 2010	Bachelor of Science, Biotechnology, Technische Universität Braunschweig

Awards and other

- 2021 2nd Place Hackathon One Health PANDAlarmRed (Pandemic Alarm System)
- 2020 Innovation Award Lower Saxony (as member of the Corona Antibody Team)
- 2015 Animal Cell Technology Industry Platform (ACTIP) Fellowship
- 2015 Bursary of the 24th European Society for Animal Cell Technology Meeting
- 2009-2012 Scholarships TU Braunschweig Biotechnology
